SECTION 1: GENERAL INFORMATION

1.1 INTRODUCTION

The Oregon Albacore Commission (OAC) or Commission is issuing this Request for a Proposal (RFP) for Marketing/Promotion/Education services to be provided from July 1, 2022 to June 30, 2023. The Commission will begin the contract June 1, 2022 for purposes of transition and on-boarding.

Commission's intent for this RFP is to award a Personal Services Contract. Additional details on the Scope of the goods or services or both are included in the Scope of Work/Specifications section below.

The Commission must approve all contracts, including the Marketing/Promotion/Education services contract, annually.

The Commission will award a contract for Marketing/Promotion/Education services.

1.2 BACKGROUND

Oregon Albacore Commission (OAC)

The OAC is a state commodity commission created under ORS 576.062 and represents over 350 commercial ocean albacore fishermen/women (producers) and about 65 first purchasers in the state of Oregon. The Commission is directed by a board comprised of five producers (fishermen/women), three handlers (first purchasers), and a public member who are all appointed by the Director of the Oregon Department of Agriculture (ODA). Committed to improving the industry, the Commissioners are volunteers; they have full-time jobs in Oregon's commercial fishing industries.

The OAC meets an average of four times a fiscal year (July through June). In addition to meetings of the full commission, the OAC has several committees including executive, promotion, regulatory, and budget.

As an Oregon commodity commission, the OAC is authorized under Oregon Revised Statute (ORS) 576.325 to collect a mandatory assessment on Ocean Commercial Albacore Tuna landed in Oregon. The assessment rate of 1% of the landed value is divided equally between the producers and the first purchasers who deduct .5% from the producer, then send the assessments (.5% producer, .5% first purchaser) monthly to the Oregon Salmon Commission office. (The Salmon Commission is providing administrative services to the OAC until June 30, 2022, when the administrator will retire.)

The OAC website is www.oregonalbacore.org

In addition to the mandatory assessments, commodity commissions are permitted to receive funds from other sources, such as grants for special projects.

All commodity commissions are public agencies established by the Oregon legislature. All commodity commissions comply with Oregon's public meeting and public records law, ORS chapter 192; Oregon government ethics law, ORS chapter 244; and other

OAC RFP for Marketing/Promotion/Education Services

applicable state laws, rules and required financial reporting. All commodity commissions adopt budgets each year in a public hearing process set forth in ORS 576.416, and are subject to audit; see OAR Chapter 603, Division 42.

The Director of the Oregon Department of Agriculture (ODA) appoints all commissioners, who must meet qualifications set in ORS 576.225 and Albacore OAR Chapter 972, Division 30. Oregon State University (OSU), the Oregon Department of Agriculture (ODA), and the Oregon Department of Fish & Wildlife (ODFW) are represented on the Commissions by ex-officio non-voting members, designated by the OSU Dean and the ODA and ODFW Directors, respectively. The ODA Commodity Commission Oversight Program (pursuant to ORS 576.066) reviews the Commission's annual operational plan, all contracts and other agreements, and provides resources and technical advice.

1.3 AUTHORITY AND METHOD

The Commission is authorized to enter into a contract for personal services pursuant to ORS 576.304(4) and ORS 576.306(1), consistent with Oregon Administrative Rule (OAR) chapter 122, division 50 and OAR chapter 603, division 42, as applicable. All contracts are reviewed by the ODA pursuant to ORS 576.306(9) and OAR 603-042-0010(10), and, depending on the anticipated amount of the procurement, the contracts must be approved by the Oregon Department of Justice (DOJ), prior to execution.

A commodity commission is authorized pursuant to ORS 576.306 to contract with an independent contractor for Marketing/Promotion/Education services but may not contract to perform the discretionary functions of the commission. Discretionary functions do not include collecting assessments, scheduling meetings, processing payments or other administrative duties assigned by the commission.

Commodity commission contractors are independent contractors and not employees, eligible employees, public employees or employees of the state for purposes of Oregon law. A contractor may not be considered a public official, public officer, state officer or executive official for purposes of Oregon law.

SECTION 2: SCOPE OF WORK

2.1 SCOPE OF WORK/SPECIFICATIONS
